

The KHA Grassroots Platform

VoterVoice can be accessed three ways:

1. On your phone, through the VoterVoice app, which can be found in the Apple Store or the Google Play Store. Remember to type in **Kansas Hospital Association** to get the correct organization.
2. Online at www.KHAGrassroots.org
3. On the [KHA website](#), click on Advocacy, then KHA Grassroots.

How do I join a KHA advocacy campaign?

1. Select the campaign you wish to support.
2. Read the background on the campaign.
3. Make any additions to the pre-populated message that helps your legislator understand the impact of the policy on your hospital.
4. Enter your name and address, so that the system sends your e-mail to the appropriate legislator.
5. Hit send and your e-mail will be sent to your legislator.

What else does the platform do?

1. Allows you to sign up for alerts.
2. Helps you find all current legislation including **key legislation identified by KHA**.
3. Helps you find elected official and candidates.
4. Helps get you registered to vote.

Elected officials need to hear from you! Get involved in grassroots efforts on state and federal issues important to Kansas hospitals.
