

The Bridge to a **Healthy Kansas**

A Kansas health care coverage solution

The Bridge to a Healthy Kansas **improves the health of Kansans**

The Bridge to a Healthy Kansas **protects our local communities and hospitals**

The Bridge to a Healthy Kansas **creates jobs and stimulates the economy**

The Bridge to a Healthy Kansas is a **Kansas health care coverage solution** that makes health care coverage affordable for approximately 150,000 hardworking, low-income Kansans. Designed to protect access to health care, it also brings **preventive care** to those who need it most. The Bridge to a Healthy Kansas is **budget-neutral** and does not require use of State General Funds. In fact, according to independent, third-party analyses, it is more likely to produce a net financial gain for Kansas. The Bridge to a Healthy Kansas **protects our local communities and hospitals** while strengthening our local and state economies. Support The Bridge to a Healthy Kansas for improved **access to health care** for Kansans.
