## Summary of the 2026 Kansas Health Care Legislation

The Kansas Legislature concluded its 2026 session passing just over 100 bills, following a highly active year focused on shrinking budget margins, a desire for tax reform, and anticipating the upcoming statewide and House of Representatives elections. The session included major debate on pharmacy benefit managers (PBMs), scope of practice expansions, nursing reforms, and budget investments in behavioral health.

This report summarizes key budget provisions, major legislation impacting hospitals and health systems, and priority issues that remain unresolved heading into the next legislative cycle

## LEGISLATION PASSED DURING THE 2026 SESSION

### Insurance

- Income tax credit for health care sharing ministries qualified expenses. Passed the House and Senate, vetoed by the Governor, veto overridden in House and Senate. ([SB 368](#)) \*\*

### Health Care/Hospitals

- Reports and other documentation concerning the rural health transformation program to be presented and provided to the state finance council, house of representatives committee on appropriations, senate committee on ways and means and legislative budget committee. Passed the House and Senate and was approved by the Governor. ([HB 2555](#))

### Nursing Bills

- Amend statutes regarding the Board of Nursing (Board), including voiding certain non-practice disciplinary actions based upon a violation of certain statutes, providing a grace period for nursing license renewal and a process for late renewal, and amending the definition of "unprofessional conduct" under the Kansas Nurse Practice Act (Act), and make additional changes. ([HB 2528](#))
- Requires that faculty at a school seeking approval from the Kansas State Board of Nursing (Board) as a school for professional nurses or at a school for practical nurses possess a nursing degree awarded by a state or nationally accredited school of nursing approved by the Board that is at least one level more advanced than the degree awarded by the program in which they are teaching. The bill would prohibit the Board from requiring additional or more advanced credentials for such faculty. The bill would allow the Board to grant an exemption for this requirement to a school facing hardships in hiring faculty. ([SB 334](#)) ^

### Medicaid Topics

- Requiring the department for children and families and the office of inspector general to exchange information and documents related to cash assistance, childcare assistance and food assistance fraud investigations. The bill no longer contains quarterly redeterminations but it does change self-attestation on a few items but mostly deals with SNAP and TANF. ([HB 2731](#)) \*\*
- Permanent updates to CHIP income requirements making it permanent. And reduction of the Bethell Interim Meetings. ([SB 271](#))

### Abortion

- Allows plaintiffs to elect to limit recovery in claims brought for violations of the informed consent provisions of the Woman's-Right-to-Know Act (Act) and would not allow parties to the suit to request the convening of medical malpractice screening panel. Statutory damages not to exceed \$5,000 and attorney fees. ([HB 2727](#)) \*\*
- Amends informed consent provisions of the Woman's-Right-to-Know Act (Act) concerning required information and required notice signs for both abortion procedures and medication abortion. The bill would also make technical and conforming amendments. The bill would specify that the information required to be provided by abortion providers under the Act shall be on a form provided by the Kansas Department of Health and Environment (Department) and that such form may be provided in hardcopy format on white paper or electronically transmitted to the woman. ([HB 2729](#)) \*\*

## LEGISLATION PASSED DURING THE 2026 SESSION

### Pharmacy/Medications

- Regulation of pharmacy benefit managers (PBMs), defining auditing procedures, outlining reporting requirements, and allowing compliance and financial examinations. The bill would require PBMs to charge a health benefit plan the same price for a prescription drug as the PBM pays a pharmacy for the prescription drug, utilize the most recently published monthly National Average Drug Acquisition Cost (NADAC) as a point of reference, and reimburse pharmacies at an amount not less than the NADAC, plus a professional dispensing fee of \$10.50. ([SB 20](#))
- Adding controlled substances to the uniform act, changes for fentanyl-related controlled substances and Kratom. ([HB 2365](#))
- Allowing a pharmacy to employ certain remote workers to engage in the remote practice of pharmacy; providing for the supervision and duties of remote pharmacy workers; permitting a pharmacist to initiate therapy for certain conditions consistent with the pharmacist's education, training and experience; adding pharmacists who initiate such therapy to the healthcare stabilization fund; allowing for a 90-day emergency supply of a noncontrolled prescription drug to be filled when no refills remain; adopting the United States pharmacopeia compounding standards under the pharmacy act of the state of Kansas; removing the authority of the state board of pharmacy to authorize individuals to access the program database as delegates by rules and regulations. ([HB 2068](#))
- Permitting the use of expedited partner therapy for the treatment thereof; authorizing a licensed private psychiatric hospital to maintain a stock supply of emergency medication kits for pharmaceutical emergencies; allowing for the use of expired emergency opioid antagonists to treat an opioid overdose; permitting first responders to distribute and administer expired emergency opioid antagonists; permitting a pharmacist to distribute epinephrine delivery systems to a school for emergency medication kits; amending definitions related to medication in schools to allow for use of epinephrine delivery systems. ([HB 2250](#))
- Requiring schools to provide fentanyl abuse education programs; mandating school districts to maintain a supply of naloxone in all schools; requiring the department of education to establish guidelines for active shooter drills; relating to school district at-risk student accountability plans; modifying the requirements for student cohorts and achievement goals for such plans. ([HB 2534](#))

### Health Professionals

- Allowing physical therapists to perform capillary blood tests, adding APRN's to the Healthcare Stabilization Fund. ([HB 2509](#))
- Licensure Compacts for occupational therapy, respiratory therapy, esthetics and athletic training; enacting the occupational therapy licensure compact, respiratory care interstate compact, esthetics licensure compact and athletic trainer. ([HB 2533](#))
- Requires adoption of new occupational licenses and material changes to existing licenses by certain state Executive Branch agencies to be approved by the Legislature. The bill would also require such agencies to annually report certain information to the Joint Committee on Administrative Rules and Regulations (JCARR). The Behavioral Sciences Regulatory Board, Board of Examiners in Optometry, Board of Nursing, Kansas Dental Board, State Board of Healing Arts, and State Board of Pharmacy would be exempt from the provisions of the bill. For purposes of the bill, an "occupational license" would mean an exclusive authorization in law establishing the personal qualifications necessary to engage in an occupation or profession and any associated rules and regulations. ([SB 30](#)) \*\*
- Optometrists Scope of Practice and participation in the Healthcare Stabilization Fund. ([HB 2221](#))
