

**Kansas Hospital  
ASSOCIATION**

To: KAHA Members (Kansas Association of Hospital Attorneys)

From: Mark Cole, 2021 KAHA President  
Audrey Dunkel, Vice President Government Relations, KHA

Date: January 4, 2022

Subject: **APPLICATION FOR 2022 MEMBERSHIP IN THE KANSAS ASSOCIATION OF HOSPITAL ATTORNEYS**

**MEMBERSHIP APPLICATION:** Attached is a 2022 membership application form for the Kansas Association of Hospital Attorneys. KAHA consists of attorneys who represent, or are employed by a Kansas Hospital Association institutional member (i.e. hospital or health care system), or law students enrolled at an American Bar Association accredited law school. Please take a few minutes to renew your KAHA membership for next year.

**MEMBERSHIP RECRUITMENT:** You may copy the enclosed application form and share it with any prospective members. New members are vital to the growth of our organization.

**KAHA MEETINGS AND CONTINUING LEGAL EDUCATION PROGRAMS:** In addition to the KAHA annual meeting and CLE session held in conjunction with the KHA annual meeting each September, KAHA has occasionally provided a mid-year continuing legal education (CLE) program to its members at their request.

CLE presentations are made available to KAHA members at little or no cost, and the location varies to meet the needs of members who live throughout the state. While listservs, newsletters, and other means of communication work well in some organizations, we have chosen to use the CLE format. As important issues arise, we will make every effort to communicate with you outside of the annual meeting, or the CLE programs. Of course, any suggestions that would enhance KAHA member communication on health care topics are welcome. We hope the CLE topics will generate group discussion and enhance the networking among KAHA members. **If you have any recommendations for topics of interest to the group, or would be willing to present a CLE program, please let us know.**

KAHA membership can benefit every attorney who represents a Kansas hospital, or to law students interested in pursuing a career in health care law. Your continued support is vital to the success of our group and to the quality of our programming. We look forward to seeing you and welcome your participation in this worthwhile organization.

**KANSAS ASSOCIATION OF HOSPITAL ATTORNEYS**
