JOINING KAHCC IS SIMPLE

KAHCC offers three levels of membership:

1. **ACTIVE MEMBERSHIP**
   Employees of Kansas health care organizations who are responsible for developing, administering and implementing public relations/communications/marketing programs.

2. **ASSOCIATE MEMBERSHIP**
   Individuals who work as consultants, employees or agency representatives for businesses that serve health care organizations.

3. **STUDENT MEMBERSHIP**
   Individuals actively pursuing a degree in public relations, communications, marketing, etc.

**DUES**
KAHCC keeps dues low so that no one is prohibited from joining because of financial considerations. The active membership is $40 per year; the associate, $50; and the student, $5.

To join, fill out the application and mail to the Kansas Association of Health Care Communicators, 215 SE 8th Avenue, Topeka, KS 66603-3906. Make your check payable to KAHCC.

The Kansas Association of Health Care Communicators (KAHCC) is a not-for-profit organization affiliated with the Kansas Hospital Association.

Membership is open to any person with public relations, communications or marketing responsibilities for a health care facility in Kansas.

We invite you to join today!

BENEFITS OF JOINING KAHCC

Membership in KAHCC puts you in touch with people who understand the joys, peculiarities and frustrations of your job.

Through KAHCC, you keep up-to-date on important health care issues and learn about trends that affect your job and your facility.

EDUCATIONAL MEETINGS
At least two opportunities are provided each year for professional development and networking. Traditionally, a conference is planned in the spring focusing on health communication issues. In November, the association meets in conjunction with the annual KHA convention.

EMERALD AWARDS
Each year, KAHCC conducts an Emerald Awards contest, which gives members an opportunity to have communication projects critiqued by a panel of out-of-state judges. Emerald Awards and Certificates of Merit are awarded to projects that meet specific criteria.
