

**Kansas Association of Healthcare Patient Access and Account Managers
2026 Fall Workshop
September 18, 2026**

Vendor Opportunity

KAHPAM is organized exclusively for educational purposes. Members consist primarily of individuals employed by Kansas hospitals and other organizations that are concerned with, or involved in, health care accounts receivable management. KAHPAM is known to its members as “in the know”. Members from across the state travel to attend the fall meeting to see what is new in health care. It is also a time to evaluate new products and service lines and to network with their peers.

This is an opportune time to sponsor the KAHPAM fall workshop with an anticipated large crowd of professionals that use your services and/or products daily. The agenda permits breaks featuring the vendor show. Social sponsorship will allow more opportunities to visit with prospective clients. Don't miss your chance to sponsor the event of the year.
