Kansas Association for Healthcare Resources
& Material Management
215 SE 8th
Topeka, KS 66603

Dear Kansas Association for Healthcare Resources,

Special Olympics Kansas (SOKS) extends our sincere thank you for your recent \$500 donation. Our mission is to provide each athlete opportunities to develop physical fitness, demonstrate courage, experience joy, and share their individual gifts. We are building inclusive communities throughout our state, one individual at a time thanks to our mission. ***It's great to have you as a supporter and believer in us!***

2020 is an exciting year for Special Olympics Kansas as we embark on expanding and enhancing several of our programming activities throughout Kansas.

- SOKS will reach out to new participants under the age of 21, offering the opportunity for them to join the Movement of Inclusion through Unified Champion Schools.
- We will work to educate and empower our athletes to become leaders within Special Olympics and throughout their communities.
- Partner with associated organizations to build mutual opportunities and create networks of support.

Across our state, more than 4,200 individuals with intellectual disabilities participate in our events each year – yet our reach goes much further. Thousands more are touched by the willpower of these athletes through volunteering their time, lending their talents. In turn, our athletes are inspired by their dedication and support. *Your gift to Special Olympics Kansas does transform communities and lives!*

Again, thank you for assisting us to continue the quality services that Special Olympics Kansas has been providing since 1969.

Sincerely,

John M. Lair
President and CEO
