Code of Ethics

- ◆ To consider first, the interests of our hospitals in all transactions and to carry out and believe in its established policies.
- ◆ To buy without prejudice, seeking to obtain the maximum ultimate value for each dollar of expenditure so the patient may receive the best care possible at as low a cost as possible.
- ◆ To be receptive to competent counsel from our colleagues and to be guided by such counsel without impairing the dignity and responsibility of that office.
- ◆ To respect our obligations and to require that obligations to us and to our hospitals are respected, consistent with good business practice.
- ◆ To subscribe to and work for honest truth in buying and selling, and to denounce all forms and manifestations of commercial bribery.
- ◆ To decline personal gifts or gratuities which might in any way influence the purchase of materials.
- ◆ To avoid sharp practice.
- ◆ To give a prompt and courteous reception, as conditions permit, to all who call on a legitimate business mission.
