### **Exemplary Boards Recognized by Kansas Hospitals**

(Aug. 13, 2026) – It is with pleasure that the Kansas Hospital Association recognizes hospital boards of directors who provide an exemplary contribution through their leadership and governance. Hospitals across the state nominated boards of directors for the KHA Board of the Year Award to recognize those boards who routinely go above and beyond the call of duty. Based on the recommendation from a committee of hospital CEOs and hospital trustees, the KHA Board of Directors selected two hospital boards as 2026 Boards of the Year:

- [Mitchell County Hospital Health Systems Board of Trustees, Beloit, Kansas](#)
- [Wilson Medical Center Board of Trustees, Neodesha, Kansas](#)

These boards will be awarded during the KHA Awards Ceremony on Sept. 11, 2026, in Overland Park, Kansas. The Mitchell County Regional Medical Foundation and the Wilson Medical Center Foundation will each receive a \$500 donation in honor of their 2026 board of directors. Learn more about each of these boards by clicking on the above links.

The Kansas Hospital Association is a voluntary, non-profit organization existing to be the leading advocate and resource for members. KHA membership includes 246 member facilities, of which 124 are full-service, community hospitals. Founded in 1910, KHA's vision is optimal health for Kansans and Kansas hospitals.
