# KHA Workers' Compensation Fund & Safety Seminar

The KHA Workers' Compensation Fund has been providing workers' compensation insurance to members of the Kansas Hospital Association since 1991. This seminar offers a broad overview of key topics in workers' compensation and workplace safety specifically tailored for the healthcare industry and our members.

This seminar is ideal for professionals involved in new employee orientation, employee injury reporting, safety training, risk management, policy implementation, and workers' compensation oversight in their organization. Participants will gain essential knowledge and practical tools to effectively manage and navigate the complexities of workers' compensation and related processes.

### Keynote Speaker:

Todd Huston, CEO Love Leadership Institute & host of 'Love Leaders Podcast',  
An author and world record holder.

Todd became a psychotherapist and clinical director of the Amputee Resource Center in California. He also worked in psychiatric hospitals for adults, adolescents, and children. He used his professional skills and personal experiences to help patients achieve more in their lives. He also trained healthcare professionals and authored articles about working with individuals coping with disabilities.

Then Todd did the unimaginable, to prove that you can overcome challenges he completed a world record-setting Summit America expedition by climbing to the highest elevations of all 50 states in only 66 days 22 hours and 47 minutes, shattering the original record by 35 days! Todd is the author of the book *More Than Mountains: The Todd Huston Story*.

### Additional Seminar Speakers:

Tara Swaney, MPT, physical therapist, Select Medical – WorkStrategies  
Samantha Monsees, labor employment & workplace attorney, Fisher Phillips LLP  
Vaughn Baker, president, Strategos International, LLC  
Kelly Donley, workers' compensation defense attorney, McDonald Tinker PA
