Kansas hospitals play an important role in supporting a safe, competent, and compliant nursing workforce. Join the Kansas Hospital Association, the Kansas State Board of Nursing, and the National Council of State Boards of Nursing for an introduction to Nursys e-Notify, a complimentary, secure service that provides real-time license status notifications for nurses and healthcare organizations.

This webinar will introduce attendees to the benefits of Nursys e-Notify, explain how both individuals and organizations can enroll, and provide resources to support Kansas' statewide awareness and self-enrollment campaign. Whether you oversee nursing operations, human resources, education, compliance, or quality, this session will provide practical information you can immediately implement within your organization.

During this webinar, participants will:

- Learn how Nursys e-Notify provides real-time license status notifications.
- Understand the benefits of enrollment for both healthcare organizations and individual nurses.
- Explore how e-Notify can support compliance, workforce management, and patient safety initiatives.
- Learn about free tools and resources available to help promote nurse self-enrollment across your organization.
- Hear about Kansas' statewide campaign and how hospitals can participate.

About Nursys e-Notify

Nursys e-Notify is a free service that provides automated, real-time notifications whenever there is a change to a nurse's license or disciplinary status. Individual nurses and healthcare organizations can enroll to receive timely updates, helping support professional accountability, regulatory compliance, and patient safety.
