The Board’s Role in Improving Health Care Quality and Patient Safety

This 5:26 minute video from Ann Scott Blouin highlights her presentation at the KHA’s Critical Issues Summit. After the video, consider these discussion questions:

After the video, consider these discussion questions:

How transparent is your hospital pricing information?

How transparent is your hospital’s quality data information?

Have you looked at your information on Medicare.gov/hospital compare?

How well does your hospital preform?

Do you use a Quality and Safety Dashboard and review it regularly at board meetings?

How might your hospital be more transparent with pricing, quality and patient safety data?
